RE: Window Completion (997 windows)

Mr. Giugliano:

We would like to take this opportunity to extend our sincere  
"Thank You" to:

Mr. Robert Buckley for overseeing the entire job from start  
to beyond completion.

Also, to the installation team (Frank and his crew) who were  
very patient with our tenants and performed their job in a neat  
and orderly manner.

And lastly to the Corporate office for it's understanding of  
our dealings with the NYC Department of Housing and Urban  
Development (HUD) and NYC Department of Housing Development  
Corporation (HDC) when it came to payment.

It has been a pleasure dealing with your company.

Sincerely,  
*CONTELLO TOWERS NO. 3, INC.*
